As you turn the pages of this book, keep in mind its theme: "Looking Back With Love".

As the words of the Conrad Weiser Alma Mater remind us, our experiences in high school will "remain in our hearts always". The knowledge, friendships, and understanding gained in four short years have made memories for us that can last a lifetime.

And now, on behalf of the yearbook staff, I present to you the 1987 Weicon with hopes that any occasion which finds you opening its cover will also find you "Looking Back With Love".

CLASS MOTTO

THERE COMES A TIME
IN OUR LIVES WHEN WE
MUST TAKE FLIGHT AND
TRY OUR OWN WINGS.

Kathy Suhr, Shelley Kauffman, Sylvia Allwardt, Amy Klahr.

To the Seniors:

Remember the Proms, or the Christmas Dance? What about selling thousands of soggy chickens and praying for the sun to shine, or our heads sweating under our Santa hats at Christmas? I don't know which was most fun.

Throughout our years at Weiser we have awaited graduation with great anticipation. Each day we have learned more and more and have grown to be the best we can possibly be. As the end of the year approaches, we look back on all of the friends we have made, the love we shared and the wonderful times we have spent together. After graduation, when we go our separate ways, we will remember the laughter and tears that have filled our hearts over the years; we will always cherish these special times.

Now we venture out to discover the life that lies ahead of us. Though we have different aspirations and occupations, we will always be the Conrad Weiser Class of 1987.

I leave you now with fond memories, sincere wishes that all your dreams come true, and all of my love.

As Mark Twain once wrote, "Everything to make life precious, that kid had." Make your future full of all the things that make life precious.

Your Senior Class President,
Shelley J. Kauffman

FOREIGN EXCHANGE STUDENTS

All the people of the U.S.A. that I met during this year were very nice to me and they made this year unforgettable. I came here with the E.F.F.S. Exchange Program whose purpose is to promote international and cultural understanding through student exchange. The Dewald family was my host family during my stay. Here I Learned more about the American culture, people and the language. Of course, I saw many different things here but I also saw things that were almost the same and that made my stay a lot easier.

When I go back to Wychen, a town in Holland, about 10 miles from Western Germany, I will go to a business college. I know that I shall miss all my friends in the U.S.A. and I hope that I get more chances to come back and visit everybody. Being here was a great experience and I want to thank all my friends for what they did for me. If they ever come to Holland, I hope they will visit me.

Concon Ascano

Hello, I'm Concon Ascano, an exchange student from the Philippines. First, I want to thank the school for accepting exchange students. I'm really proud to be one of them, and I think this school is one of the best schools in the country.

In this school I can see that teachers and students work well together. I see differences in the way that the students act toward their teachers. In the Philippines we have to stand up and answer the teachers questions to show our respect, but here you can answer while remaining seated. Also, students are really school spirited and friendly. After joining the basketball team, I met many new friends. I also enjoy gym class where I made new friends and learned many new games.

I really hope Conrad Weiser will accept more exchange students next year. This is a good experience for exchange students and Weiser's students as well.

AMY ELIZABETH FELLER - BERKS COUNTY JUNIOR MISS

In the spring of my junior year, my mind wrestled with the idea of possibly representing Conrad Weiser in the Junior Miss Pageant. After much encouragement from my friends, I accepted the great responsibility of showing Berks County what our high school had to offer.

Becoming a representative brought me many exciting opportunities. Long hours of rehearsal, confidence and very supportive friendships from nineteen other county girls replaced my initial shyness and hesitations. Throughout the pageant, I developed the attitude of using the utmost of my abilities and being myself. Winning the title was not my priority; making new friends, having fun, and proudly representing Weiser was my goal.

When the 1987 Junior Miss was announced as Amy Elizabeth Feller, I was so astounded and speechless at accomplishing what I thought was impossible. Being involved with the Berks County and Pennsylvania Junior Miss programs proved to be two very positive and enriching experiences. May all the future Weiser representatives encounter the same rewarding experiences.

I would like to thank the faculty, students, and especially my friends and sister for all your generous support and faith in me.

Sincerely,
Amy Elizabeth Feller

The Conrad Weiser educational staff strives to provide each student with a sound academic program and numerous extracurricular activities. Through this strong educational foundation it is our hope that each graduate will become a responsible citizen and be successful in achieving future goals.

As in this year's *Weicon* theme, we would like to think that each member of the class of 1987 will be "Looking Back With Love" on the days spent in their alma mater. Pleasant memories and the luxury of time will afford you the opportunity to appreciate the days you spent at Weiser. As a responsible graduate of an institution rich in the traditions of participation and excellence, you are challenged to fulfill your potential and uphold these traditions.

Best of luck to the Class of 1987.

DR. LARRY R. SCHMIDT

It has been said that men who keep their eyes on the glorious past often fail; whereas successful men keep their eyes on the promising future. Hopefully your years at Conrad Weiser have provided you with the knowledge and skills to fulfill a promising future. "Look Back With Love" to your years at Conrad Weiser, but keep your eyes on the promising future. Be ambitious, set your sights high, establish your goals for the future and go out in life and meet all challenges to fulfill your dreams.

To the class of 1987, best of luck to each and every one of you in whatever you choose to do with your life. Always remember your years at Conrad Weiser, but look to the promising future.

Dr. Larrry R. Schmidt
Assistant Superintendent

MR. GEORGE M. MCLAIN, JR.

I would like to take this opportunity to offer my congratulations and wish you success throughout life. Your theme is most appropriate, especially for those who do look back to our high school years. Your feeling now is simply "I'm glad to be out", however, many of us know from experience that you will also look back and remember the friends, events, and love established during these years. Good luck!!!

As we close the circle of an experience, a period of time, a unit of knowledge, or a work of art, the result should be a whole. One should be unable to determine where that experience begins or ends. The blend should be complete.

Twelve years ago you entered school with excitement and enthusiasm. With the success of your graduation, school has come full circle. As you leave Conrad Weiser, we hope you will be "Looking Back With Love", and recall memories that will foster new excitement and enthusiasm for all that is yet to come.

Harold E. Stern
High School Principal

MR. HAROLD E. STERN

As an individual, you will encounter many crossroads in life. Each time a decision presents itself you will have to reflect on your experiences and draw conclusions to make the best decision possible. I can only hope that whatever road you choose to take, it will bring you happiness and success.

Yet not all your paths will be straight and smooth. However, if there is one thing you can be sure of, it is that as time goes one, you will remember your days at Conrad Weiser with increasing fondness. You will find yourself reflecting upon many times; people you met, things you did, and places you went. Your pride in these memories will burn in your heart and you will find yourself "Looking Back With Love".

Be prepared to meet and accept the challenges you will need to grow. This growing process will be a lifelong endeavor. But, there will be times when you must reflect on days gone by. Be the best you can be and forever look back with love.

FOOTBALL

Dedication and determination was the name of the game for the 1986 football team. They finished the season with a respectable record of 6-4. All of their wins resulted in shut-outs over their opponents, which proves the Blue Wave defense came rolling through with full force.

Kris Zupan, a senior, was named as the Inter-County offensive lineman of the year. He was also selected on both the All-Countyand All Inter-County offensive and defensive teams. Gary Young, a junior, was named to the offensive Inter-County team.

Although the team will lose many seniors and much talent, next year's team should prove to be another superior team. Bring home the I-C!

SOCCER

The thrill of victory was not unfamiliar to the soccer team this season. The team was made up of many talented individuals who each contributed to an 11-3 league record and a 15-4 record overall. The many hours of practice paid off for the team as a unit as well as for senior Heath Wenrich, junior Greg Kissling, and sophomore Ryan Ray, who made the Division I All-Star team. Honorable mentions were earned by Marc Kurowski, Matt Robinson, and Steve Thomas.

The team is looking forward to an excellent 1987 season. The Weicon staff wishes Mr. Hartranft and the team much success.

HOCKEY

The leadership and character demonstrated by the spunky seniors of the 1986 Girl's Field Hockey Team was the consoling factor in a season of heartbreaks. The seniors led the dedicated team to a 5-6-1 record. However, it is important to stress that a team's record is not what makes the season, but rather the team members who find themselves never quitting whatever the odds.

Well, the 1986 season is over and the team will look back with fond memories of the experience and friendships that they have gained, making their lives richer.

The Weicon Staff would like to congratulate Jolyn Oxenrider on her selection as the All Berks County Goalie. Finally, Mrs. Egner and Mrs. Lydell deserve many thanks for their dedication.

WRESTLING 1987

This year the very successful wrestling Scouts finished with a record of 13-3-1 overall and were undefeated in the league with a team score of 7-0. With such seasoned veterans as Bob Sensenig, Fred Bube, Jerry Kissling, Heath Fisher, Brian Esterly and Tony Wirebach to lead the way, Weiser topped its outstanding season with the first Berks County Championship in school history. Another highlight was the teams first win over Wilson's Bulldogs. Considering the hard work and dedication of underclassman Tim Morrissey, Pete Heilman, Mark Groff and Mark Hummel, as well as the rest of the team, it is no wonder that Weiser's Varsity wrestlers were able to take the county title, as well as to help Head Coach Joe Heilman become wrestling's "Coach of the Year" in Berks County.

In post season action the Scouts advanced six wrestlers to AAA District Wrestling level, four of which were Sectional Champions: Bob Sensenig (119), Pete Heilman (122), Mark Groff (155), and Tony Wirebach (167). Other sectional placers were runner-up Fred Bube (145) and 3rd place Jerry Kissling (132).

Although a great many of the team members were seniors, the future for the wrestling Scouts look strong. We wish them the best of luck for next season.

BASEBALL

This year proved to be an up and down season for the Scouts. They started out the year confident, but things just never came together. With Rich Debeic as second year coach, the Scouts advanced to counties where they fell 0-2. They qualified for district playoffs and won three straight games advancing to the district finals where they had a well played, but disappointing loss against Daniel Boone. The score was 2-1 in extra innings. The Scouts 2nd place finish in the district title game not only won them a medal, it also gave them a berth in the state playoffs. There they met last years state champions, Minersville, whom they lost to 11-6. The team was led by five seniors: Lisa Becker, Beth Dunkle, Erica Miller, Jodi Zwicky, and Tricia Rudy. The Scouts accomplishments were made possible through hard work, an all-around team effort, and the leadership of the five seniors. Congratulations are in order for Coach Debeic and the girls and a hope for an even better season next year.

WEICON

Weicon is . . . "capturing the school year into words and pictures."

The members of the 1986-87 staff have sacrificed many hours into the making of this year's yearbook. From taking pictures to late meetings and of course the dreadful deadlines, we have still managed to put together a yearbook full of lasting memories.

A very special thanks to Mrs. Chrystine Heck and Mr. Terry Morgan for all their time, patience and energy with this year's Weicon. The senior staff members will definately miss working with Mrs. Heck, Mr. Morgan and the faculty.

May this year's Weicon always bring back the memories we treasure so dearly.

DRAMA

This year the Drama Club performed its first musical production, The Fantastics. The plot follows a Romeo & Juliet storyline and centers around the courtship of Louise (Stef Lord) and Matt (Bill Henderson.) Their fathers, portrayed by Heath Fisher and Kris Zupan, stage a mock battle in order to enhance a romance between their children.

When their plan fails, the parents hire El-Gallo, the narrator of the story (Sean Young) to kidnap Louise. He does so with the help of Henry (Karin Rohrbach), Mortimer (Amy Klahr), and the mute (Susie Lutz), thus setting the stage for a heroic rescue by Matt and a happy ending to the love story.

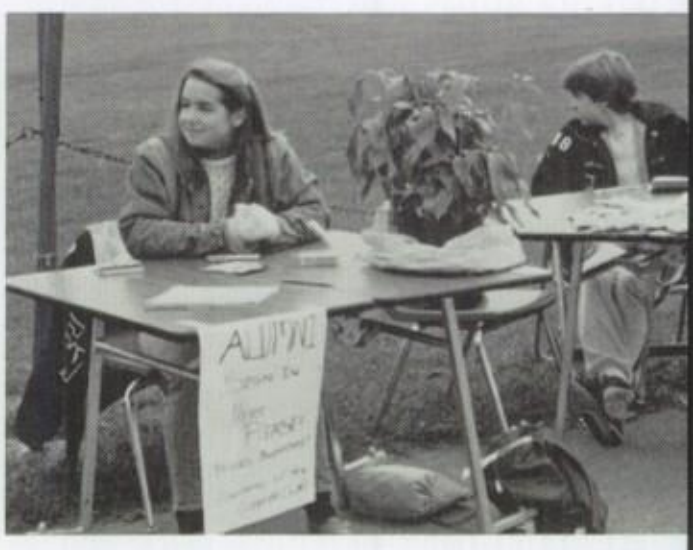
HOMECOMING



AN OLD FASHIONED CHRISTMAS

MUSICAL - "CAROUSEL"

On March 27th and 28th the Conrad Weiser Music Department/Drama Club and Art Departments stepped back into the late 1800's to a small New England fishing town.

The curtain opened to a colorful carnival with dancing girls, clowns, bears, and Mrs. Mullin's (Jean Plummer) "CAROUSEL" (a musical by Rodgers and Hammerstein). The barker of the carousel, Billy Bigelow (Sean Young) was fired for flirting with Julie Jordan (Stef Lord). As their love affair begins, eventually turning to marriage, Julie's best friend Carrie Pepperidge (Ellen Rissinger) and her beau, Mr. Snow (Bill Henderson) are also contemplating marriage.

The day of the big clam bake is set and everyone is in attendance, even Jigger Craigin (Alex Grauds), the meanest, most suspicious man in town. Jigger and Billy devise a robbery plan during the annual treasure hunt. To escape arrest, Billy commits suicide and Jigger flees. Julie's aunt Nettie (Michelle Gruber) encourages her to keep her chin up high and not to be afraid.

Soon after Billy's death, Julie has their baby, Louise (Susan Lutz). Meanwhile, Billy is in heaven with the star keeper (Heath Fisher), who grants him a wish to return to see his daughter. At this time Louise is fifteen and ridiculed by the Snow children for the horrible deeds of her father. The final scene is Louise's graduation, leaving a tear in every watcher's eye.

This year musical was again a success. A round of applause is in order to all, especially the "seniors", who will keep these memories hidden away in their hearts. "At the end of the storm is a golden sky . . . you'll never walk alone."

First Row-Heath Fisher, Sean Young, Stef Lord, Ellen Rissinger, Bill Henderson. Second Row-Mike Kauffman, Shelley Gruber, Susie Lutz, Alex Grauds, Jean Plummer. Third Row-Kris Zupan.

COMMENCEMENT

"There comes a time in our lives when we must take flight and try our own wings."

The time for each of the 184 members of the Class of 1987 to try their own wings came on Friday, June 12, at 6:00 in the high school auditorium. Commencement exercises began with the presentation of honor stoles to the highest ranking members of the class: Amy Feller, Lisa George, Richard Harper and Stefanie Lord. Memories, Mistakes and Moving On were the topics addressed by Stefanie Lord, Heath Fisher and Sean Young, respectively. Dr. Harvey Manbeck, a member of the first graduating class of Conrad Weiser, was the guest speaker and was presented with the Distinguished Alumnus Award. Then, with the help of the class marshalls, Mr. Ronald Lutz and Mr. Cary Shaner, each senior stepped forward to receive his or her diploma from School Board President Ronald George. Finally, a tearful farewell was given by Shelley Kauffman, Class President.

The Class of 1987 will be long remembered for its achievements and contributions. Congratulations and Best Wishes to all.

WE WISH YOU THE BEST . . . WE'RE:

A car pulled up to the old abandoned farmhouse. It was a hot summer's day. Hank and Bud were thirsty-and an old water pump stood nearby. Hank jumped out of the car, grabbed the handle and started pumping. He pointed to an old bucket and suggested to Bud that he dip some water out of a nearby stream in order to "prime" the pump. If you've ever pumped a deep well you know you must put a little water down the top of the pump to "prime" the pump and get the flow of water started.

After several more pumps Hank was tired and sweaty. He began to ask himself if his effort was really worth it. "There's no water in this well, Bud", he said. "Yes, there is Hank; in this part of the country wells are deep, but they produce the coolest, best tasting water of all.

By now Hank was tired and his arms ached. He threw up his hands saying, "this well is dry!" Quickly Bud grabbed the handle and kept pumping."If you stop now all the water will go back to the bottom and you"ll have to start all over again."

Life is like the old well pump. The message isn't just for graduating seniors but for all of us. Whatever you hope to succeed at you must

(1) have a burning desire (thirst)
(2) give it total effort
(3) put something in before you can get anything out (prime the pump)
(4) pump long and hard with enthusiasm (never give up)

Surely the sweet taste of victory and success are just around the corner. Always keep a persistant positive attitude for it's attitude, not aptitude alone, that builds altitude.
